IMPORTANT DISCLOSURES

If you are owed a federal tax refund, you have a right to choose how you will receive the refund. There are several options available to you. Some options cost money and some options are free. Please read about these options below.

You can file your tax return electronically or by paper and obtain your refund directly from the IRS for free. If you file your tax return electronically, you can receive a refund check directly from the IRS through the U.S. Postal Service in 21 to 28 days from the time you file your tax return or the IRS can deposit your refund directly into your bank account in less than 21 days from the time you file your tax return unless there are delays by the IRS. If you file a paper return through the U.S. Postal Service you can receive a refund check directly from the IRS through the U.S. Postal Service in 6 to 8 weeks from the time the IRS receives your return or the IRS can deposit your refund directly into your bank account in 6 to 8 weeks from the time the IRS receives your return.

You can file your tax return electronically, select the Refund Processing Service ("RPS") for an additional fee of \$34.99, and have your federal income tax refund processed through a bank and processor. The RPS allows your refund to be deposited into a bank account intended for one-time use at Civista Bank of Sandusky, OH ("BANK") and deducts your TurboTax fees and other fees you authorize from your refund. The balance is delivered to you via the disbursement method you select. If you file your tax return electronically and select the RPS, the IRS will deposit your refund with BANK. Upon receipt of your refund, Santa Barbara Tax Products Group, LLC ("TPG"), a processor, will deduct and pay from your refund the RPS fee, any fees charged by TurboTax for the preparation and filing of your tax return and any other amounts authorized by you and disburse the balance of your refund proceeds to you. Unless there are delays by the IRS, refunds are received in less than 21 days from the time you file your tax return electronically.

The RPS is not necessary to obtain your refund. If you have an existing bank account, you do not need to use the RPS, which requires the payment of a fee, in order to receive a direct deposit from the IRS. You may consult the IRS website ([irs.gov](https://www.irs.gov)) for information about tax refund processing.

If you select the RPS, no prior debt you may owe to BANK will be deducted from your refund.

You can change your income tax withholdings which might result in you receiving additional funds throughout the year rather than waiting to receive these funds potentially in a tax refund next year. Please consult your employer or tax advisors for additional details.

Information regarding low-cost deposit accounts may be available at www.mymoney.gov .

The below chart shows the options for filing your tax return (e-file or paper return), the RPS product, refund disbursement options, estimated timing for obtaining your tax refund proceeds, and costs associated with the various options.

WHAT TYPE OF FILING METHOD?	WHAT ARE YOUR DISBURSEMENT OPTIONS?	WHAT IS THE ESTIMATED TIME TO RECEIVE REFUND?	WHAT COSTS DO YOU INCUR IN ADDITION TO TAX PREPARATION FEES?

Be sure to enter all personal information including dependents listed on the return **before** using this sheet to track health insurance coverage.

Yes No/Partial

☐ ☐ Everyone on the tax return was covered by health insurance all year.

If everyone on the return was covered and there was no Market Place coverage (Form 1095-A) then check the YES box above - no other action is required. The 1095-B or 1095-C can be used to verify coverage but you do not need to enter the information if everyone on the return was covered.

Health Insurance Coverage for Individuals: Use this form to report healthcare coverage for individuals for months:

- not reported on 1095-A, 1095-B or 1095-C
- not covered by employer
- months not covered by an exemption

Note: The 1095-A information **must** be entered on Form 1095-A in order to correctly calculate any Premium Tax Credit. The 1095-B or the 1095-C months can be entered directly in the table below.

If applicable enter information on form 1095-A, Health Insurance Marketplace Statement

Note: The IRS is not requiring the 1095-B or 1095-C be filed with the returns. To track the months covered you can either enter on the 1095-B and/or 1095-C or check the boxes below

If applicable enter information on form 1095-B, Health Coverage

If applicable enter information on form 1095-C, Employer-Provided Health Insurance Offer and Coverage

If applicable enter Market Place exemptions (ECNs) or Request exemptions on form 8965

Note: Do not enter the name, SSN, or date of birth directly on the table below. Instead, enter the information at the bottom of the Personal Information Worksheet or Dependent and Nondependent Information Worksheet.

Or if you check the box at the top "Yes" that "Everyone on the tax return was covered by health insurance all year." the covered all 12 months box will be marked for all the individuals below regardless of what is entered on the Personal Information or Dependent and Nondependent Information Worksheet.

Please review Tax Help for instructions on allocating the allowable Section 179 back to the individual activities when the deduction is limited.

ELECTRONIC POSTMARK - CERTIFICATION OF ELECTRONIC FILING

Taxpayer: Jason S Stoermer

Primary SSN: 407-33-5907

Federal Return Submitted: April 15, 2016 01:10 PM PDT

Federal Return Acceptance Date: _____

Your return was electronically transmitted on 04/15/2016

The Intuit Electronic Postmark shows the date and time Intuit received your federal tax return. The Intuit Electronic Postmark documents the filing date of your income tax return, and the electronic postmark information should be kept on file with your tax return and other tax-related documentation.

There are two important aspects of the Intuit Electronic Postmark:

1. THE INTUIT ELECTRONIC POSTMARK.

The electronic postmark shows the date and time Intuit received the federal return, and is deemed the filing date if the date of the electronic postmark is on or before the date prescribed for filing of the federal individual income tax return.

TIMELY FILING:

For your federal return to be considered filed on time, your return must be postmarked on or before midnight April 18, 2016. Intuit's electronic postmark is issued in the Pacific Time (PT) zone. If you are not filing in the PT zone, you will need to add or subtract hours from the Intuit Electronic Postmark time to determine your local postmark time. For example, if you are filing in the Eastern Time (ET) zone and you electronically file your return at 9 AM on April 18, 2016, your Intuit electronic postmark will indicate April 18, 2016, 6 AM. If your federal tax return is rejected, the IRS still considers it filed on time if the electronic postmark is on or before April 18, 2016, and a corrected return is submitted and accepted before April 23, 2016. If your return is submitted after April 23, 2016, a new time stamp is issued to reflect that your return was submitted after the IRS deadline and, consequently, is no longer considered to have been filed on time.

If you request an automatic six-month extension, your return must be electronically postmarked by midnight October 17, 2016. If your federal tax return is rejected, the IRS will still consider it filed on time if the electronic postmark is on or before October 17, 2016, and the corrected return is submitted and accepted by October 22, 2016.

2. THE ACCEPTANCE DATE.

Once the IRS accepts the electronically filed return, the acceptance date will be provided by the Intuit Electronic Filing Center. This date is proof that the IRS accepted the electronically filed return.

IMPORTANT DISCLOSURES

If you are owed a federal tax refund, you have a right to choose how you will receive the refund. There are several options available to you. Please read about these options below.

You can file your tax return electronically or by paper and obtain your refund directly from the IRS for free. If you file your tax return electronically, you can receive a refund check directly from the IRS through the U.S. Postal Service in 21 to 28 days from the time you file your tax return or the IRS can deposit your refund directly into your bank account in less than 21 days from the time you file your tax return unless there are delays by the IRS. If you file a paper return through the U.S. Postal Service you can receive a refund check directly from the IRS through the U.S. Postal Service in 6 to 8 weeks from the time the IRS receives your return or the IRS can deposit your refund directly into your bank account in 6 to 8 weeks from the time the IRS receives your return.

You can file your tax return electronically, select the Refund Processing Service ("RPS"), and have your federal income tax refund processed through a bank and processor. The RPS allows your refund to be deposited into a bank account intended for one-time use at Civista Bank of Sandusky, OH ("BANK") and deducts your TurboTax fees and other fees you authorize from your refund. The balance is delivered to you via the disbursement method you select. If you file your tax return electronically and select the RPS, the IRS will deposit your refund with BANK. Upon receipt of your refund, Santa Barbara Tax Products Group, LLC ("TPG"), a processor, will deduct and pay from your refund any fees charged by TurboTax for the preparation and filing of your tax return and any other amounts authorized by you and disburse the balance of your refund proceeds to you. Unless there are delays by the IRS, refunds are received in less than 21 days from the time you file your tax return electronically.

The RPS is not necessary to obtain your refund. If you have an existing bank account, you do not need to use the RPS in order to receive a direct deposit from the IRS. You may consult the IRS website ([irs.gov](https://www.irs.gov)) for information about tax refund processing.

If you select the RPS, no prior debt you may owe to BANK will be deducted from your refund.

You can change your income tax withholdings which might result in you receiving additional funds throughout the year rather than waiting to receive these funds potentially in a tax refund next year. Please consult your employer or tax advisors for additional details.

Information regarding low-cost deposit accounts may be available at www.mymoney.gov .

The below chart shows the options for filing your tax return (e-file or paper return), the RPS product, refund disbursement options, estimated timing for obtaining your tax refund proceeds, and costs associated with the various options.
